

**Businesses of all sizes rely heavily on their computer systems to operate their company. They need reliable systems and when there is a problem they need quick service and long term solutions. ICS has provided many of these solutions for JK Evans & Associates. Including: server replacement and installation; data transfer; and off site backup. JK Evans will also be going to a new web site designed and implemented by ICS. Watch for their new site to appear in the next few weeks.**

**Is your companies computer system holding you back or moving you forward?**
